Summary

Motivated Computer Information Systems (CIS) student with a passion for software development, UI/UX design, and database management. Eager to apply my technical knowledge and problem-solving skills in a dynamic work environment. Looking for an opportunity to enhance my expertise in web development, programming, and system design while contributing to an innovative team.

I am now studying a course at Coders Academy that includes:

1-UI/UX
2-Some of problem solving
3-Microsoft SQL Server
4-c#
5-HTML5
6-CSS3
7-JS
8-ASP.NET CORE MVC USING C#
9-Dart
10-flutter

and I am studying UI/UX through Scott's Udemy course

Education
[balqa applied university] – [CIS]
Bachelor's Degree in Computer Information Systems
[Start Date : 2021] – [Expected Graduation Date :2025]

Technical Skills
Programming Languages: C++, C#, Java, JavaScript
Web Development: HTML, CSS, JavaScript, ASP.NET
UI/UX Design: Basic experience in UI/UX principles and prototyping
Databases: Strong knowledge in SQL and database management
Networking: Basic understanding of networking concepts
Algorithms & Data Structures: Foundational knowledge and problem-solving skills.
